	]	Capestri, the free app that pays
1		Thank you for registering, be sure to download the app and start earning!         APPLE APP STORE       ANDROID PLAY STORE         After you download Tapestri, "Get started with email" and use this email then create a password to set up your app account.
2		Be sure to watch this short video to maximize your tap <u>https://yimeo.com</u> / <u>597337788</u>
		Every user who installs and activates Tapestri earns up to \$25 per month for the anonymous device location data their phone creates as they go about their day. Plus you can earn more every month for inviting friends to tap in and get paid for their anonymous device info too.

#### What Does Tapestri Do?

This free app only collects "Device ID events based on Location" and then pays you for that information. As you carry your phone with you it's constantly creating location events and every event has value in the market so why not get paid for it?

#### Tapestri Does Not Collect PII.

Personally Identifiable Information, is any data that could potentially be used to identify a particular person. Tapestri does not collect your contacts, photos, text messages, marital status, purchases etc.
